INDEX FOR VOLUME 99

A

Abdomen, Gunshot Wounds of the, 265.
Abdominal Actinomycosis, 861.
Abdominal Aneurism, 702.
Abdominal Manifestations of Acute Rheumatic Fever from Acute Appendicitis, Differential Diagnosis of, 650.
Abdominal Wounds, Disruption of, N. Y. S. S. Symposium, November 8, 1933, 5–46.
Abdomino-perineal Resection for Tuberculosis Sigmoid, Rectum and Peri-anal Tissues, 717.
Abscess, Cerebellar, 871.
Actinomycosis of Transverse Mesocolon and Great Omentum, 532.
Actinomycosis, Abdominal 861
Acute Streptococcic Osteomyelitis Following a Simple Fracture of the Femur, 1017.
Adenomatosis of the Colon, Multiple, Causation and Treatment of, 178.
Air Embolism Complicating Thyroidectomy, 112.
Anæsthetic Death, the Carotid Sinus as an Etiological Factor in Sudden, 974.
Anal Sphincteroplasty for Total Incontinence, 847.
Andrus, Wm. Dew: Toxic Factor in Intestinal Obstruction, 374.
Aneurism, of External Jugular Vein, 827; of Subclavian Artery, 220.
Ano-rectal Cases, Pre- and Post-operative Management of, 609.
Anterior Gastroenterostomy, 834.
Anus, Imperforate, 1017.
Appendicitis, Death from, 47; Drainage after Operation for, 637; The Relation of Post-operative Paralytic Ileus to Mortality in Acute, 985.
Appendicostomy in Cases of Ruptured Appendix Associated with Diffuse General Peritonitis, 640.
Appendix, Stump of the, an Agent of Infection, 633.
Armstrong, George Ely: Memoir of, 234.
Arsenical Keratoses and Epitheliomas, 348.
Artery Flaps, 101.
Avertin in the Pain Crises of Blood-vessel Spasm, 550.
